Mondays, 12:00 Noon – 2:00 PM

Classes are held at the home of Jeanette Foley:

134124 Byrd Ln.  
Los Altos Hills, CA 94022  
(650) 948-2049

**Class Dates:**

9/8, 9/22, 9/29,	← Robotics Classes, not Jr. FLL activities
10/6, 10/13, 10/20, 10/27,	← start of Jr. FLL activities
11/3, 11/10, 11/17,	
12/1, 12/8	← probably more Robotics Classes

We do not yet know when the Jr. FLL Expo Event will be. November 15 or November 16 are possibilities. If we cannot find (or create) an event to attend in November or December, January is also a possibility, but I'd prefer not waiting too long.

If you have date conflicts you know, or preferred dates for the Expo, please let me know.

I have created a team web site with information for the team project and Expo event. Please visit:

and also check for updates on:

At the 10/6 meeting, each child will receive a FOLDER which they should bring to all Jr. FLL meetings and events. Please read the information in their folder.
